## Getting To and From Bald Head Island

Transportation to and from Bald Head Island is by passenger ferry or private boat. The ferry leaves the mainland for Bald Head Island every hour on the hour from Deep Point Marina located at 1301 Ferry Road, Southport, N.C. The ferry departs the island every hour on the half hour. Ferry tickets are \$23 per person for adults and \$12 per child ages 3-12. Children 2 and under are free; however they will need a ticket for boarding. Ferries operate 365 days a year; however, ferry hours vary seasonally, so be sure to check the schedule before planning your trip. Ferry schedules are posted online at [www.ferrytobhi.com](http://www.ferrytobhi.com) or call 910-457-5003. Parking at Deep Point Marina is \$8 per car, per day or \$10 per car, per day in the summer.

Day visitors not needing island tram service are not required to make a ferry reservation in advance; however, advance reservations are required if tram service is needed. Island trams provide transportation to and from the island ferry terminal and a single island destination; therefore, multiple tram rides per single ferry ticket are not available. It is advisable that day visitors rent an electric cart or bicycle or use the new island taxi service in order to visit multiple points of interest around the island.

## Getting Around the Island

There are no cars allowed on Bald Head Island—transportation is limited to electric carts, bicycles and foot traffic. The island complex is 12,000 acres, including marsh and creeks, and three miles long; therefore, many visitors opt to rent an electric cart, bicycle or kayak to explore the island. New for summer 2011, the Island Passage Taxi may be available for "on demand" service and may run an hourly loop around the island. Carts, bicycles or kayaks are available for rent at Riverside Adventure Company, located within walking distance from the ferry landing on Bald Head Island. Hourly and daily rental rates are available. During the summer season it is advisable to call to reserve an electric cart prior to making the trip to Bald Head Island to ensure a cart will be available during your visit. Daily rates for a 4-person cart are \$60.50; a 6-person cart is \$74.40. Hourly rates start at \$27.50 for the first hour and \$11 for each additional hour. Cart operators must be at least 16 years of age and possess a valid driver's license. Electric bicycles, baby trailers, bike helmets and jogging strollers are also available for rent by the hour or day. Call Riverside Adventure Company for reservations and information.
